DDW-20

Weekly Activities and Status Report for DD/ICS--20 July 1983

CIPC Organizational Activities

- The Minutes for the June meeting have been finalized and were disseminated on 15 July.
- The CIPC pre-meeting with the Working Group Chairman and staff was held on 18 July. 25X1

- The principal agenda items are:

25X1

- * [redacted]
- * US Intelligence Collection Posture *as PRC.*

- The meeting agenda and background material on these two issues will be forwarded to the CIPC Principals Wednesday A.M., 20 July. - *went out 8/9/83*
- *Next meeting scheduled for 19 Aug*
- Additionally, dry-run briefings on these two items have been scheduled for 1545 hours, 20 July.

- Advised the DEA, Customs and Coast Guard CIPC Observers that the July CIPC meeting agenda did not contain any narcotics-related issues. In view of this they opted not to attend the meeting.

- The Collection Committee Chairman, C/NFIP and C/PBS have been invited to attend the CIPC meeting. They obviously have a vested interest in the two primary agenda items. 25X1

Narcotics Projects and Activities:

- On 14 July, [redacted] attended the State/INM Narcotics Intelligence Coordination meeting. The major item discussed was the establishment of a new DEA/CIA/State Narcotics Production Subcommittee under the National Narcotics Intelligence Consumers Committee (NNICC). With the establishment of this subcommittee, crop production estimates that are being publicly announced by the various agencies should now be consistent. 25X1

WORKING PAPER

~~TOP SECRET~~

TOP SECRET

- [] and Jon Wiant had a very productive visit to Miami and the SFTF last week. (Trip report attached.)
-

- The next Narcotics Working Group meeting is scheduled for 20 July. This will be a special meeting specifically to address legal implications of intelligence support to the law enforcement community. 25X1

- Finally, we provided you last week with a background paper preparatory for your forthcoming meeting with Dom Di Carlo.

Maritime Piracy/Terrorism Issue: []

- On 14 July, [] attended a meeting at the Federal Emergency Management Agency (FEMA) of the Information Handling Subcommittee of the interagency Piracy Working Group. The subcommittee addressed the question of which government agency, if any, should be the focal point for piracy reporting

Strategic Cruise Missile Study: [REDACTED]

25X1

● Rough drafts of approximately 80% of the Cruise Missile Working Group's final report have been prepared, and were handed out and discussed at the Working Group meeting on 18 July. Working Group members are now to review the drafts, make comments on additions or deletions, and critically review the draft recommendations. They have been solicited to make recommendations of their own or modify the initial drafts for discussion by the Working Group as a whole. Those discussions will take place at what is anticipated to be twice-a-week Working Group meetings beginning 22 July.

BW/CW Treaty Monitoring Study: [REDACTED]

25X1

● [REDACTED] is scheduled to meet with Army ACSI on 20 July to to finalize a trip to Edgewood Arsenal. It appears that the date of the trip is presently planned for 11 August.

25X1

Intelligence Collection Against China: [REDACTED]

25X1

● 25 July agenda item. [REDACTED] has revised his paper in accordance with your guidance earlier this week. The report will be forwarded to the members for review prior to the CIPC meeting. (Attached.)
